

Customized 304 Stainless Steel Coil In Varied Widths And Coil Weight

Our Product Introduction

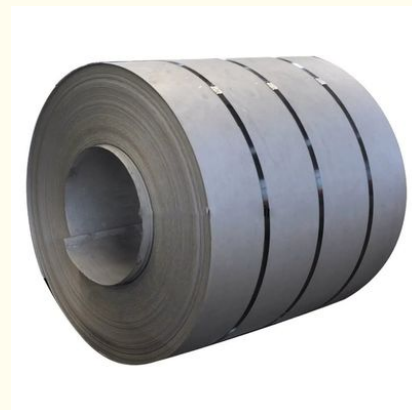

Basic Information

- Place of Origin: China
- Brand Name: Sheng Quan
- Certification: ISO9001:2000
- Model Number: 201/304/304L/316/316L/321/309/310
- Minimum Order Quantity: 1ton
- Price: USD1500-USD6000
- Packaging Details: Standard Export Sea-Worthy Packing
- Delivery Time: 5-15days
- Payment Terms: L/C, T/T, Western Union
- Supply Ability: 15000Tons

Product Specification

- Width: 1000mm-2000mm
- Coil Weight: Customer Requirements
- Rolling Width: 15m 20m
- Quality: High Quality Inspection
- Processing Service: Bending, Decoiling, Punching, Cutting
- Payment Term: 30%T/T Advance + 70% Balance
- Processing: Cold Rolled/Hot Rolled
- Packing: Standard Export Packing Or As Required
- Highlight: **Customized Stainless Steel Coil,
Varied Widths Stainless Steel Coil,
304 Stainless Steel Coil**

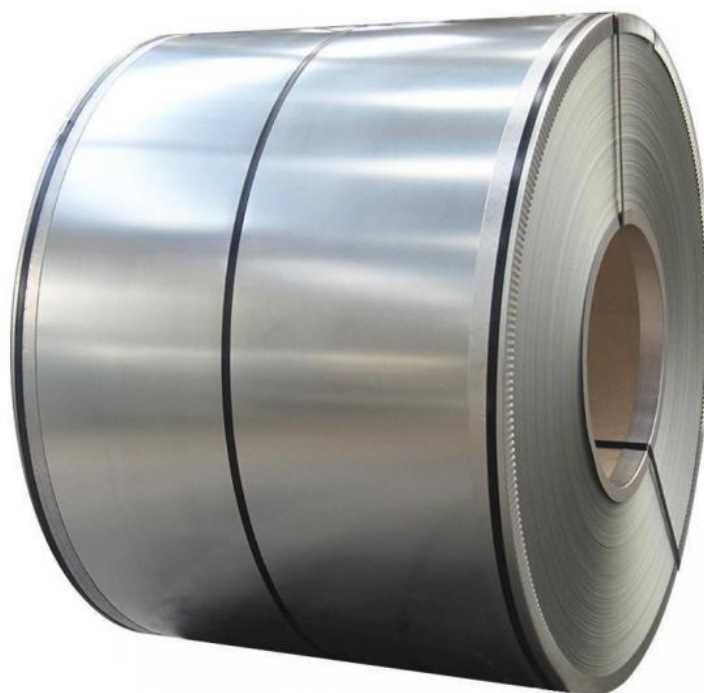

Product Description

Product Description:

This Stainless Steel Sheet Coil comes in different hardness levels, including Soft, 1/4 Hard, 1/2 Hard, 3/4 Hard, and Full Hard, allowing manufacturers to choose the ideal hardness level for their specific applications. Whether you need a soft or hard Stainless Steel Sheet Coil, this product has got you covered.

When it comes to payment terms, this Stainless Steel Sheet Coil has a 30%T/T Advance + 70% Balance payment term, which makes it easier for manufacturers to acquire the product without causing a significant dent in their finances. This payment term is flexible and ideal for both small and large scale manufacturers.

Features:

Product Name: Stainless Steel Sheet Coil
Payment Term: 30%T/T Advance + 70% Balance
Packing: Standard Export Packing Or As Required
Processing: Cold Rolled/Hot Rolled
Processing Service: Bending, Decoiling, Punching, Cutting
Standard: ASTM, AISI, JIS, DIN
Type: Cold Rolled Stainless Steel coil
Grade: 410 Stainless Steel Coil, 301 Stainless Steel Coil

Applications:

The Stainless Steel Sheet Coil is ideal for a range of occasions and scenarios. It can be used in the construction industry for roofing, walls, and ceilings. It can also be used in the automotive industry for the manufacturing of body parts, exhaust systems, and other components. The coil is also great for use in the food and beverage industry for the production of kitchen equipment, storage tanks, and other machinery.

The Stainless Steel Sheet Coil is also perfect for applications where color coated steel coil is required. The coil can be used for a range of color coating processes and can be produced to meet the specific requirements of customers. Additionally, 301 Stainless Steel Coil is also available for customers who require higher tensile strength and corrosion resistance.

The Stainless Steel Sheet Coil is highly versatile and can be processed in a variety of ways. It can be cold rolled or hot rolled depending on the application requirements. Additionally, the product can be bent, decoiled, punched, or cut to meet specific customer needs. The product is available in widths ranging from 1000mm-2000mm, making it suitable for a range of applications.

In terms of supply, the Stainless Steel Sheet Coil has a high supply ability of 15000Tons. The product is of high quality and undergoes a rigorous inspection process to ensure that it meets the required standards. Payment terms include 30%T/T advance and 70% balance, with payment accepted through L/C, T/T, or Western Union.

Customization:

Sheng Quan offers product customization services for its Stainless Steel Sheet Coil. Our coils come in various models including 201/304/304L/316/316L/321/309/310 and meet ASTM, AISI, JIS, and DIN standards. They are manufactured in China, and are ISO9001:2000 certified.

The minimum order quantity is 1 ton and the price ranges from USD1500-USD6000. Standard export sea-worthy packaging is used for delivery, which takes 5-15 days. Payment terms include L/C, T/T, and Western Union and we can supply up to 15000Tons. Length can be customized according to your needs.

We offer our Stainless Steel Sheet Coil in various hardness levels such as soft, 1/4 hard, 1/2 hard, 3/4 hard, and full hard. We also offer Color Coated Steel Coil and 301 Stainless Steel Coil. Our payment terms include 30%T/T advance and 70% balance. Our coils have good ductility for molding products.

FAQ:

Q1: What is the brand name of the Stainless Steel Sheet Coil?

A1: The brand name of the Stainless Steel Sheet Coil is Sheng Quan.

Q2: What are the available models for the Stainless Steel Sheet Coil?

A2: The available models for the Stainless Steel Sheet Coil are 201/304/304L/316/316L/321/309/310.

Q3: Where is the Stainless Steel Sheet Coil manufactured?

A3: The Stainless Steel Sheet Coil is manufactured in China.

Q4: Does the Stainless Steel Sheet Coil come with any certification?

A4: Yes, the Stainless Steel Sheet Coil comes with ISO9001:2000 certification.

Q5: What is the minimum order quantity for the Stainless Steel Sheet Coil?

A5: The minimum order quantity for the Stainless Steel Sheet Coil is 1 ton.

Q6: What is the price range for the Stainless Steel Sheet Coil?

A6: The price range for the Stainless Steel Sheet Coil is USD1500-USD6000.

Q7: What are the packaging details for the Stainless Steel Sheet Coil?

A7: The packaging details for the Stainless Steel Sheet Coil is Standard Export Sea-Worthy Packing.

Q8: What is the delivery time for the Stainless Steel Sheet Coil?

A8: The delivery time for the Stainless Steel Sheet Coil is 5-15 days.

Q9: What are the payment terms for the Stainless Steel Sheet Coil?

A9: The payment terms for the Stainless Steel Sheet Coil are L/C, T/T, and Western Union.

Q10: What is the supply ability for the Stainless Steel Sheet Coil?

A10: The supply ability for the Stainless Steel Sheet Coil is 15000 tons.
